#### WHY PARTICIPATE?

The NEA Mentoring Program offers several Mentoring Circles, small groups that consist of four to six mentees and two mentors. Diverging from the traditional one-on-one mentoring model, the NEA Mentoring Program aims to:

- Encourage the exchange of experiences, challenges, and opportunities to facilitate goal-setting for career and personal development
- Build competence and character to reach those goals
- Foster self-confidence, communication skills, and collective growth

#### HOW TO PARTICIPATE

Apply to be either a mentor or mentee on the NEA website: [newenglandarchivists.org/mentoring](http://newenglandarchivists.org/mentoring). Applications will be accepted through February 15, 2017 and notifications sent by March 8, 2017.
